

Telephone Dialup System

NEVER MISS ANOTHER SERVICE

** See Publicly Speaking newsletter March/April 2008 **

Use your telephone to call and listen
****LIVE**** to your service. Hear everything
 as it happens, readings, lectures, hymns
 and prayers.

The Telephone Dialup System (TDS) is
 really easy to use. Simply connect to your
 church sound system, plug into a
 telephone socket, sign up for a call
 conferencing service and that's it! Anyone
 who has access to the conferencing
 numbers can listen in for the cost of a
 cheap call.
