

Telephone Dialup System

NEVER MISS ANOTHER MEETING

Use your telephone to call and listen ****LIVE**** to your meeting. No need to wait for recordings anymore. Hear everything as it happens, announcements, songs and prayers.

The Telephone Dialup System (TDS) is really easy to use. Simply fit one at the Kingdom Hall, sign up for a call conferencing service and that's it! Anyone who has access to the conferencing numbers can listen in for the cost of a cheap call.

- ★ Ideal for long term sick
- ★ Inexpensive to install and run
- ★ Very easy to use
- ★ High audio quality
- ★ Connect multiple callers
- ★ NEVER miss another meeting

Not Interested? Already got a TD? Please copy or pass this information to others who may need it.
